

Battaglia per il Santuario di Vicoforte

Canone a 16 per quattro cori di voci pari per voci o strumenti

(o voci con strumenti)

I quattro cori sono composti da quattro parti di soprano, quattro parti di alto, quattro parti di tenore e quattro parti di basso. Se possibile i cori siano dislocati a rilevante distanza e secondo un criterio spaziale di simmetria. La presenza di quattro balconate consente la miglior collocazione della compagine esecutiva. Il santuario di Vicoforte permette questa scelta.

Il testo può essere cambiato con un altro testo simile dal punto di vista della simulazioni dei suoni di battaglia; è anche possibile applicare alla composizione un testo sacro o profano non onomatopoeico secondo le esigenze e i contesti dell'esecuzione o della registrazione.

L'eventuale raddoppio strumentale, così come la versione esclusivamente strumentale, può essere realizzata con cornetti, trombe, corni, tromboni o anche con altri strumenti; si mantenga tuttavia il criterio di assegnare a ciascuno dei quattro cori la stessa famiglia di strumenti.

L'eventuale utilizzo dell'organo, con arpa e chitarroni sarà efficace se le parti eseguite si limiteranno a sottolineare i pannelli armonici costitutivi del brano.
